- A. Public hearing regarding Resolution 16-02, a resolution to request an amendment of the Charter of the Town of Millville.

Synopsis: The amendment to the Town Charter will consist of:

- 1) Replacing the metes and bounds description of the Town boundaries with the recorded maps and plots of the Town, to avoid the need to amend the Charter to include the metes and bounds of any annexed territory;
- 2) Allowing 1 of the 5 Council members to be non-resident freeholders within the Town;
- 3) Establishing the timing of the transition to the Council's new composition;
- 4) Updating the Charter's provisions on holding municipal elections, including allowing freeholders to vote, in addition to residents;
- 5) Updating the Charter to remove a provision that may be inconsistent with the Delaware Constitution's provision on oaths;
- 6) Updating and elaborating on the Council's meeting process;
- 7) Updating and elaborating on the Council's process for passing certain acts;
- 8) Adding a process for determining forfeiture of office; and
- 9) Providing the Town Council the flexibility to allocate up to 6% annually of its real property taxes between fire departments, ambulance services, and emergency treatment services, since the current Charter's language divides that same 6% total between the fire companies at 3% and the ambulance or emergency treatment services at 3%.
