I cannot express enough how impressed I am with the Town’s new team members. Our current invaluable team members, Finance Assistant Anna Scarola, Finance Director Lisa Wynn, and Code & Building Official Eric Evans stepped up to the challenge with training and cross-training of our new team members. DEVELOPMENT ACTIVITY

BISHOP’S LANDING:
BL2: Work continues. Infrastructure continues. All lots being built on in phase 3. Should start in phase 4 around Aug is what I am told.

MBTS Sea Star Village: Done. Final blacktop completed. Final walk completed and they should be requesting turn over at your June meeting.

MBTS Sea Breeze: Pad sites being prepared. Infrastructure continues. The 1st 18 lots sold and construction well underway. Should be connecting to the spur road with curb, stone, and blacktop by end of June. I think this date is still good. Model just had framing inspection so the final should be in June.

PARKSIDE: Model completed; 4 Lots have sold on the signs the 1st week.

SEA EDGE: Building in process. Should be sold out and done by December. At least that is their goal.

SOUTHERN LANDING: Infrastructure continues, Sewer connection along School Lane completed. Building construction should be starting in next few months.

TOWN PARK: Pickle Ball Courts done; Lighting should be completed soon, had issue with voltage. Working to get Dirt removed.

CODE ENFORCEMENT: VIOLATIONS
