Good Morning Dr. Mwale,

Please find attached the updated plans and application for Millville by the Sea Model Park 5A. We have addressed the comments as follows:

1. The manhole detail S-1.02 has been added to sheet C5.1.
2. In the application the project location has been updated to: *“Roxana Road and future Endless Summer Drive, south of the Burbage Road and Roxana Road intersection, Sussex County, Delaware”* since it is in a slightly different location than Village 4.

Thanks,  
Chris
