➢ **Evans Park at Millville:**
  - Paul brought to my attention a couple of months ago, that the acoustics were really bad in the Millville Community Center. I was also told the same thing by one of the groups that rented the center for a Halloween party. I contacted Morgan Helfrich of GMB, who designed the building, and met with her last week when the same group met for a Christmas party. Even before the music began, the noise was terrible. Morgan has produced a few options and will send to me so I can bring before Council for discussion and consideration.

➢ **Upcoming Events:**
  - Update: Plans are coming along for the 2022 Bethany-Fenwick Chamber of Commerce Fire & Ice Festival which is scheduled for January 28th through the 30th.
    - The Town will purchase the double ice sliding board. Coastal Events will sponsor the large tent with lights to house the slide.
    - The Millville Volunteer Fire Company is hosting a “Chili Cook-off” which will be held in the Millville Community Center on Saturday and the proceeds will go to the Millville Volunteer Fire Company’s Capital Campaign.
    - Banks Wines & Spirits will be hosting a “Beer” tasting and will be raffling off a Solo Fire Pit at the Chili Cook-off.
    - Chamber will have sponsored ice sculptures along the walking trail.
    - The “Funsters” will be playing in the park on Friday night, the 28th. We have already rented a stage from the Town of Georgetown for the band to perform from 6-9 p.m.
    - I have sent out letters to our developers and contractors asking if they would like to help sponsor the band or ice slide. For our last Great Pumpkin Festival we held, we received $7,220.00, and we have many more players in the game now.

DEVELOPMENT ACTIVITY

BL2: Work continues. Infrastructure continues. Phase 4 into the construction phase, New construction on hold until released by DNREC.

MBTS Sea Breeze: Site work is almost completed. The home construction is in full force. Last looked there is only 5 lots left that haven’t been bought.

PARKSIDE: Construction underway and removal of trees and grubbing is starting in their phase 2 area. It looks like Ryan Homes will be pulling a permit a month for the next few months. Last counted they had 3 lots left in the first section.

SEA EDGE: Building in process. Last building started should be done by February as per site supervisor.

SOUTHERN LANDING: Building construction well on its way. Waiting for DelDOT to release more permits.

MBTS PENINSULA VILLAGE: Storm water pipe and drainage being worked on, as well as starting to dig in the pond area. Proof roll will be done prior to your meeting and blacktop being applied if all passes. Since most of the underground infrastructure is already in this site should move quick and houses should start popping up by end of December from what I’m told.

TOWN PARK: Pickleball court has a crack in it by post, Contacting a couple different repair co. for price. Getting price for the addition of stone and grading to the parking lot.

ATLANTIC AUTO: As an FYI they have broke ground and site work has started.

CODE ENFORCEMENT: VIOLATIONS

TOTAL VIOLATIONS: $0.00

Merry Christmas to all.
