A. Discussion, Consideration, and Possible Vote on Resolution 23-03. If approved, Resolution 23-03 will release two performance bonds for H&D Subdivision, LLC in the development known as Sea Edge and to transfer improvements to the Sea Edge Homeowners Association.

B. Discussion, Consideration, and Possible Vote on a proposal from Inclind - Website Design and Development Services. Inclind is the top web development agency on the Eastern Shore and their home base is in coastal Delaware.

Synopsis: Town Manager Debbie Botchie and Town Clerk Wendy Mardini have met with local website designers as we feel a new website is essential so that our visitors can have a much better user experience. Our current website is very antiquated, and we have found it is nearly impossible to work with the support staff with the State of Delaware. The Town receives a great deal of phone calls as visitors have a difficult time navigating the site and they become very frustrated. Our site is nothing more than a template which is not user friendly for the operator and takes an extraordinary amount of time to input information. There is relatively no customer support other than an email that may or may not be answered for days. The fact that Inclind has a customer support team readily available is invaluable.
