Re: Lighting Spillage

Date: March 7, 2023

To whom it may concern,

I, Horace W. Zook, have been informed that there may be overhead light casting onto our property due to the construction of the new go-kart track to the east of our property, Tax Map ID: 134-12.00-35.00 and I have no objections regarding this matter. I thank you very much for bringing issue this to my attention.

Sincerely,

Horace W Zook
