

## TOWN MANAGER'S REPORT

### Town Projects Status

- House Demo: Complete
- Evans Park: Paving project is complete.
- State Pond: We heard from Sara Espisito regarding the unsightly pond. She was hoping the dredging last year would have helped the situation. Ms. Espisito will be reaching out to Department of Transportation to discuss further.
- Millville Zip Code: Eileen Scerra and I had a ZOOM meeting with 3 individuals from the USPS to discuss the Town's request for changing the 19944 and 19970 zip codes previously given to Millville properties or changing the town name from Frankford and Ocean View to Millville. The requested the documentation Council approved and the denial letter we received months ago. We feel more confident that we will receive one of our requests.

Attached are the following reports:

1. Code & Building Department
2. Evans Park Report
3. DSP Crime Reports

Respectfully submitted,  
Deborah Botchie  
Town Manager
