December Town Events Summary:

Saturday Dec 2nd was the Town of Millville annual Yuletide. The day began with an Artisan holiday craft show inside the community center from 10AM – 2PM. We had 24 artisans set up their crafts for sale and there was a steady stream of patrons. The feedback from the artisans was very positive. Santa and Mrs. Claus arrived at 3PM by horse and carriage and sat in the pavilion for photos with the children. There was a tent set up in the field for children’s games and crafts and a smores-making area. A giant inflatable bouncy slide was put up for the children to enjoy. The local Indian River High School Honors chorus and marching band performed Christmas songs for us. Mayor Belinko ended with the countdown to the tree lighting.
