

KNOW YOUR ZONE

When emergencies happen, officials issue evacuation warnings or mandatory evacuation orders for communities in impacted or potentially impacted areas.

Your evacuation zone informs you **when and how to evacuate in case of emergency.**

DO YOU KNOW YOUR EVACUATION ZONE?

In Delaware, evacuation zones are labeled as either:

Use the **Know Your Zone** locator tool at **PrepareDE.org/Know-Your-Zone**.

(see reverse)

KNOW YOUR ZONE

Knowing your evacuation zone in advance helps ensure proper evacuation response — speeding up the process, avoiding confusion and keeping you safe.

Scan the QR code to use the **Know Your Zone** locator tool.

Or visit,

PrepareDE.org/Know-Your-Zone.

LOCATE YOUR ZONE

Choose from two ways:

- 1 Use the Evacuation Zone Lookup Tool
- 2 Use the Evacuation Zone Interactive Map
