PUBLIC NOTICE
Town of Millville – Mill Rate Adjustment

The Town of Millville will be **lowering the Town mill rate** for the upcoming tax year to ensure the Town remains **revenue neutral** following the recent county property reassessment.

Because property values were updated by the county, the Town is required to adjust its mill rate so that we do **not** collect additional revenue solely due to reassessment. This change keeps the Town's overall tax revenue consistent with last year.

Residents may still see changes in individual tax bills based on how their property value changed relative to others, but the Town is **not increasing revenue**.

For questions, please contact Town Hall at 302-539-0449.

📢 **Millville Tax Update**

The Town of Millville is **lowering our mill rate** this year to stay **revenue neutral** after the county's property reassessment.

This means the Town will **not** collect extra revenue because of changes in assessed values. Individual tax bills may vary based on how each property was reassessed, but the Town's total revenue stays the same.

Questions? Contact Town Hall: 302-539-0449
