DRAFT: 09-09-2026

APPROVED:

Mayor Belinko discussed the newly formed advisory finance committee. Recommended members would be Joe Parent, Barbara Ryer, and Gary Manion. Mayor Belinko mentioned this committee would allow citizen input and is strictly an advisory committee to look over things, assist with budget, looking at investments, giving advice, and/or suggestions. Mayor Belinko made note everything they would do would be approved by council, the same as other committees in the town.

Mr. Wisgirda made a motion to accept Resolution 27-08 to establish a Finance Committee. Ms. Sosnoski second the motion. Ms. Brienza voted no. Mayor Belinko stated vote was 4 to accept.

Mayor Belinko asked Ms. Brienza for reasons for her vote. Ms. Brienza stated, “ With Robert’s rules you really don’t need to, or you’re suppose to. But, I had expressed concerns about this when you first brought it up. We have a finance director, we have a town manager, we have a treasurer, we have an auditor company. We recently contracted with PFM and recently went with them. I just don’t think.... it’s just another level of bureaucracy that I don’t think we need.”

Mayor Belinko stated vote was 4-1 to accept the motion.

C. Discuss, Consider, and possible vote on Resolution 27-09 to adopt the Town of Millville’s Employee Handbook and replace the existing personnel policy.

Mayor Belinko thanks Ms. Scerra for her tremendous progress. Mayor Belinko mentioned the town has good employees, and Ms. Scerra did a great job getting input from her employees. Mayor Belinko mentioned with Ms. Scerra’s leadership there is an outstanding staff currently.

Ms. Scerra stated the Employee Handbook was outdated, and this resolution would replace the old handbook with the new policy. The policy is 77 pages. Ms. Scerra thanked Ms. Botchie for the heavy lifting of the project. Ms. Scerra went over the benefits section, which is where most of the changes were updated, added, or removed.

Mr. Parent questioned the time-and-a-half section and clarification on that section. Ms. Scerra gave examples. Mr. Parent stated that’s a tough fine line, what if an employee wanted to come in and work on catching up, does it apply to certain employees only? Ms. Scerra responded that the key word is essential employees and would be the Town Managers discretion on who those people would be to report.

Mayor Belinko addressed that personal days are really an asset for employees as well as sick leave being a nice benefit. Mayor Belinko stated allowing someone to have a sick leave bank for retirement is a great idea and incentive to not use all the days before retiring.
