A RESOLUTION TO ACCEPT PROPOSAL FROM S&B SECURITY FOR THE REPLACEMENT OF THE TOWN HALL BUILDING FIRE ALARM SYSTEM

WHEREAS, the Town of Millville (“Town”) recognizes the importance of maintaining a reliable and fully functional fire alarm system to protect Town employees, residents, visitors, and Town property; and

WHEREAS, the existing fire alarm system serving the Town building has reached an advanced age and is experiencing malfunctions and reliability issues; and

WHEREAS, due to the age and condition of the existing system, updating individual components is no longer considered a practical long-term solution, and a complete update of the building fire alarm system is necessary to provide a reliable and properly functioning system; and

WHEREAS, S & B Pro Security has submitted a proposal to the Town of Millville to update the building fire alarm system in its entirety, including the necessary equipment, installation, and related work, in the amount of \$41,662.00; and

WHEREAS, the Town Council finds that replacing and updating the existing fire alarm system is necessary to maintain the safety of the Town building and ensure the continued protection of occupants and property.

NOW THEREFORE, BE IT RESOLVED by the Mayor and Town Council of the Town of Millville that Eileen Scerra, Town Manager, is hereby authorized to execute the proposal, agreement, purchase order, and any other documents reasonably necessary to proceed with the project, consistent with the amount authorized by this Resolution.
