

**Community Center Rentals Month of June 2026**

6/11	American Red Cross Blood Drive
6/13	Evans Graduation Party

**Events:**

We successfully hosted our first Mingo Night and Trivia Night, with most tables filled and strong community participation. We also held our first two concerts featuring Kristen and The Noise and The Funsters, both of which had excellent attendance and great feedback from attendees. The food trucks had lines of customers and very good sales.

The Red Cross Blood Drive on June 11th was a success, collecting 43 units of blood, which will help up to 129 patients in need. This exceeded our goal of 38 units.

On June 18th, Dr. Tam, CEO of Beebe, delivered an informative Community Talk that was well received by those in attendance.

**Upcoming Events:**

**Yoga Classes:** We are offering yoga classes with Heather Murphy, a certified yoga instructor, twice a week through August 6th. Classes are open to all skill levels, and Heather will collect the \$10 class fee at the door.

**Fitness Clinic CustomFit360:** Erik Schreiber, owner of CustomFit360 Health & Fitness of Millville, will be offering several clinics focused on health and wellness to help promote healthy, active lifestyles throughout our community. These informative sessions will provide valuable tips, strategies, and resources to support overall well-being for residents of all ages.

### **Park Maintenance & Operations:**

Continued routine maintenance including mowing, trash removal, and equipment inspections. Jeff Harmon, our service technician from Heart To Beat, performed his monthly inspection and maintenance check on both AED boxes to ensure they remain in proper working order and ready for use if needed. Reflections Window Cleaning cleaned all windows at the Community Center.

### **Projects & Improvements:**

**Irrigation System and Landscaping:** An irrigation system will be installed around the pickleball courts, after which the area will be landscaped to enhance the appearance.
